

Moss Gibbs Woodland Garden

COMMEMORATIVE OPPORTUNITIES

We would be honored to recognize your contribution with an in-park commemorative.

Commemoratives will be incorporated into the Woodland Garden in two ways: For gifts of \$500,000 or more, the donor receives naming rights for the feature which will be represented by a sign/plaque on the feature. Where appropriate, the feature name will be shown on maps and identification and wayfinding signage. For gifts of less than \$500,000, and greater than \$10,000, the feature shall retain its name from the design and master plan process but be recognized through commemoration on signs indicating “made possible by” the Donor. Specific opportunities at each level are included below.

Thank you for your consideration. If you would like to take a tour or discuss additional opportunities, please contact Sam at (502) 584-0350 or ssewart@21cparks.org.
