OUTDOOR ADVENTURE SUMMER CAMPS: CHOOSE FROM NINE WEEKS JUNE - AUGUST

Summer is an adventure. What better place to enjoy it than The Parklands?! A similar structure of activities is used each week, but every week is different as we explore new places in the park, have new encounters with wildlife, and delve into over 100 crafts and games. Campers will meet wildlife from one of our partner organizations (Raptor Rehab, Second Chances Wildlife, or Idlewild) as well as enjoy Sprayground Wednesdays at the Marshall Playground and Sprayground.

K-3RD GRADERS

This group of young explorers spends most of the week splashing and wading in Floyds Fork searching for everything from the tiniest macroinvertebrate to the biggest fish. Campers build dams and forts, conduct science experiments, search for fossils, and skip rocks all while learning more about the importance of healthy streams and forests.

4TH-6TH GRADERS

This group of older adventurers enjoys weeks jam-packed with exploration and adventure. Each week, weather permitting, campers canoe on Floyds Fork, fish in park ponds, practice archery, bike the Louisville Loop, hike forest trails, creek walk, build forts, and play games, all while learning about the importance of natural places.
