

WEDNESDAY WONDERS 2021 CALENDAR

Wednesday Wonders are interactive programs designed to spark the curiosity of young children. Each week, we will cultivate critical thinking, scientific literacy, and stewardship of our natural surroundings. Visit The Parklands Facebook page ([theparklandsoffloydsfork](https://www.facebook.com/theparklandsoffloydsfork)) or YouTube page ([TheParklands1](https://www.youtube.com/channel/UC1Pj8v8v8v8v8v8v8v8v8v8)) every Wednesday at 10 a.m. to explore a new science wonder!
