

THE PARKLANDS OF FLOYDS FORK

OUTREACH PROGRAMS

*Can't take a field trip? No problem! **We can bring The Parklands to YOU!** Outreach programs contain all of the fun and science learning of a field trip without ever having to leave the comfort of your own classroom.*

ABOUT THE PROGRAMS:

Parklands Interpretive Rangers come to your classroom and present a 1-2 hour educational program that meets the Next Generation Science Standards for your grade. We offer Outreach Programs to Preschool–12th grade, as well as after-school programs, scout groups, senior centers, and daycares. **Each program includes a science lesson and interactive activity.**

All of our Interpretive Rangers are trained environmental educators and scientists with backgrounds in teaching and ecology.

TOPICS:

- **Animals and the Environment**
- **Earth Materials**
- **Plants and their Structures**
- **World of Water**
- **Science of Sound**
- **Sunshine and Shadows**

You can request a specific topic or you can provide us the Next Generation Science Standard you are working on and we will try to accommodate with a related topic.

COST:

Prices vary based on class size and number of classes taught.

Scholarship funding is available to Title 1 schools to provide Outreach Programs free of charge.
