THE PARKLANDS OF FLOYD'S FORK

The Parklands of Floyd's Fork is one of the largest and most ambitious urban parks in the nation — it encompasses nearly 4,000 acres and features four major parks. All four parks are linked by a world-class trail system tracing Floyd's Fork, a classic Kentucky stream. Each park has something for everyone, whether you're looking for a paved or backcountry trail, a dynamic learning experience through our Outdoor Classroom, or a quiet place to discover nature.

A DONOR-SUPPORTED PUBLIC PARK

The Parklands receives no tax support, which means we need your help! Each year, we must raise more than \$4 million to keep The Parklands of Floyd's Fork clean, safe, fun, and beautiful. This is a big goal and your support ensures The Parklands will always be a free and open space for our entire community to enjoy 365 days a year.

WE THANK YOU

We appreciate your love of The Parklands and the role you play in its success as a Member. Your gift not only helps to maintain our parks today, but your continued support will positively shape the future of Louisville and truly benefit current and future generations through access to world-class parks.

To donate, please go to www.TheParklands.org/Member.

The Parklands of Floyd's Fork is a 501c3 organization, and all gifts are tax-deductible.

Nearly 4,000 acres.
3 million+ visits.
22 miles of water trail.
46+ miles of hiking and biking trails.
365 days a year, dawn to dusk.
\$0 entrance fee.

The Parklands Fund ensures that The Parklands of Floyds Fork is a clean, safe, fun and beautiful community asset accessible 365 days a year, free of charge. This annual campaign funds daily maintenance and operations of this 4,000-acre donor and visitor supported park system. Beautiful parks and trails enhance the quality of life in our community. Your generous gift will help to support the following:

BUILD A COMMUNITY

Adding and preserving green space is more critical than ever, helping to make Louisville a great place to live and work. Your membership will help to provide our community with free access to nearly 4,000 acres of vast parkland stretching from Shelbyville Road to Bardstown Road along Floyds Fork. The broad reach of The Parklands creates an inclusive environment to bring together people of all ages, abilities, and backgrounds.

ENCOURAGE HEALTHY HABITS

The Parklands creates many opportunities for physical activity and outdoor recreation, which have a positive impact on overall health and well-being. Additionally, our amenities are built to be accessible and progressive, opening new avenues for visitors to experience improved physical and mental health.

SUSTAIN THE ENVIRONMENT

Your membership will help to sustain more than 70,000 trees, shrubs, and forbs planted to date, as well as thousands of acres of natural space we work to not only preserve, but enhance each year. Through these efforts we hope to encourage native plant species and wildlife to thrive as well as improve air and water quality.

STIMULATE CURIOSITY

As a learning center for all ages, The Parklands Outdoor Classroom hosts tens of thousands of learners each year, from early childhood education to family and adult programming. Hands-on, outdoor learning experiences lead to a deeper understanding of our Kentucky landscape and the creatures that live within it, while also fostering a community of environmental stewards.
