SO MANY SPECIAL FEATURES

"There's so many special features to this gorgeous location. The trails are well maintained for walkers, runners or bikers. The streams and ponds are perfectly showcased for beauty and usability. It's heart warming seeing a father/son fishing together or a duo kayaking along the stream. Bring your kids and let them explore nature. The playground and spray grounds are so much fun. It's free of trash and has the cleanest bathrooms."

A GREAT ASSET TO LOUISVILLE

"Wow, can't say enough good things about this place. I run and bike there often. It's one of the main things I love about living in Louisville! I discovered the Moss Gibbs Woodland Garden recently and it was so cool! My daughter and I took a walk through there and she loved it. Just a great asset to Louisville!"
