

THE PARKLANDS WALKING CLUB

This morning walking club will meet monthly to trek all over The Parklands exploring our 60+ miles of trails and nearly 4,000 acres! Bring your personal travel mug to fill with coffee or tea before the hike and we will enjoy a leisurely stroll along a different trail each month. This ranger-led hike will walk at a relaxed pace to encourage conversation while sipping our morning coffee. Bring a friend or come solo and join the Parklands community!

Meet our interpretive rangers at the designated trailhead at **8:30 a.m.** where they will be waiting with coffee. The hike will begin at 8:45 a.m.
