

2024 REVIEW

The Parklands is dedicated to providing **safe, clean, fun, & beautiful** park experiences for our community 365 days a year, for free.

This year, we reached a **major milestone**, surpassing

33 MILLION VISITS

since inception, including nearly

4 MILLION VISITS

 in 2024.*

*That's over **17% more** visits than in 2023!*

As a **visitor-and-donor supported public park**, we rely on the generosity of visitors like you to maintain this world-class park system. This year we've had the support of **2,949 MEMBER HOUSEHOLDS**.

Thanks to these Members, we have already provided over

22,620

EDUCATIONAL EXPERIENCES

this year and awarded more than **12,000** scholarships to students of Title I schools!

This means The Parklands has provided over

190,460

 educational experiences in total since 2013!

4,000+

acres of unexcelled park land maintained and preserved for future generations

80+

miles of trails, including **60** miles of hike-bike trails and **22** miles of paddling trails

220+

species of birds, mammals, amphibians, reptiles, and fish

450+

species of plants & trees

79,000+

trees planted since opening, including **332** planted in 2024
