WELCOME, MEMBER!

You have received an Annual Membership to The Parklands of Floyds Fork!

Your Membership helps us provide safe, clean, fun, and beautiful park experiences for our community.

The Parklands is a nonprofit public park system, which means we receive no tax dollars for annual operations and instead rely on the support of Members and donors to help us maintain this extraordinary space.

Enjoy the great parks—and the great *perks*—that come with Membership!

For the next 12 months, you'll have access to exclusive events, discounts on select park programs (including camps!). We'll also keep you in the know through our monthly e-newsletter and seasonal Member Memo.

What's next?

In the weeks ahead, you'll receive your Membership cards in the mail. A majority of our communications are sent via email, so be sure we have your preferred contact information by emailing our Database Manager, Taylor Nord, at tnord@theparklands.org.

We hope to see you in The Parklands soon!

As a Member of The Parklands, You Help Us Provide:

- 4 world-class parks, open 365 days a year with no entry fee
- 60 miles of trails for hiking and biking, including 19+ miles of the Louisville Loop
- 22 miles of water trail along Floyds Fork
- Educational opportunities for all ages through our Outdoor Classroom
- Preserved and improved habitats for 220+ species of wildlife
- Maintenance and care of over 4,000 acres of scenic Kentucky landscape

Learn more about your new membership and the parks it supports at theparklands.org/member.
