

2025 BY THE NUMBERS

The Parklands is dedicated to providing safe, clean, fun, & beautiful park experiences **365 days a year, for free.**

This year, we surpassed **36.4 MILLION VISITS**
since inception, including over **3,370,000** visits in 2025.*

*That's over **160,000 more visits** than
Glacier National Park had last year!*

As a **nonprofit public park**, we rely on the generosity of visitors like you to maintain this world-class park system.

In 2025, we've had the support of
3,793 MEMBER HOUSEHOLDS.

Thanks to our Members, we provided

25,798
EDUCATIONAL EXPERIENCES

this year and awarded a total of **13,398** scholarships to students of Title I schools!

This means The Parklands has provided over
216,258 educational experiences
in total since 2013!

In 2025, we planted **360 TREES**
throughout our four connected parks,
contributing to a legacy of **nearly 80,000**
trees planted since inception.

With parks spanning **more than 4,000 acres**, we work tirelessly to maintain **80+ miles** of world-class trails and create healthy habitats for **220+ species** of wildlife — in 2025, and beyond. *Thank you for your support!*
