

# 2025 BY THE NUMBERS

The Parklands is dedicated to providing safe, clean, fun, & beautiful park experiences **365 days a year, for free.**

We surpassed **36.4 MILLION VISITS** to The Parklands since inception, including over **3,501,080** visits in 2025.\*

*That's over 360,000 more visits than Glacier National Park had last year!*

As a **nonprofit public park**, we rely on the generosity of visitors like you to maintain this world-class park system.

In 2025, we had the support of **3,804 MEMBER HOUSEHOLDS.**

Thanks to our Members, we provided

**25,798**

**EDUCATIONAL EXPERIENCES**

this year and awarded a total of **13,398** scholarships to students of Title I schools!

This means The Parklands has provided over **216,258** educational experiences in total since 2013!

In 2025, we planted **360 TREES** throughout our four connected parks, contributing to a legacy of **nearly 80,000 trees** planted since inception.

With parks spanning **more than 4,000 acres**, we work tirelessly to maintain **80+ miles** of world-class trails and create healthy habitats for **220+ species** of wildlife — in 2025, and beyond. *Thank you for your support!*
