

THE PARKLANDS WALKING CLUB

JULY–DECEMBER 2026

This walking club will meet twice a month to trek all over The Parklands, exploring different trails each time. Meet our Rangers in the meeting location listed to enjoy a leisurely stroll. This hike will be walked at a relaxed pace to encourage conversation, so bring a friend or come solo and join our incredible community!

The Parklands Walking Club is free to attend, and no registration is required. The hike will still go on rain or shine. In the case of inclement weather, please check theparklands.org/alerts for changes or cancellations.

Morning sessions will meet at the designated area at **8:30am** so that the hike can begin promptly at **8:45am**. Evening sessions will meet at **5:30pm**, with the hike beginning at **5:45pm**. Mileages reflect round-trip distances.

Due to the large size of our groups and for the well-being of our walkers, only service animals are permitted.

July 7 **Coppiced Woods Trail**
